

ALUYE' NATURALS - BODY. MIND.SOUL

Our Story

At Aluye Naturals, we believe that nature provides everything we need for radiant, healthy hair and skin. Our journey began with a simple yet powerful mission : to create skincare products that harness the raw, nourishing power of the Earth's finest ingredients—without the chemicals, fillers, or synthetics. We wanted to reconnect with the purity and simplicity of nature to offer you products that not only enhance your beauty but also honor your skin's natural health.

Aluye Naturals was born from a deep passion for natural wellness and a commitment to quality. Our founder, inspired by the rich beauty rituals passed down through generations, sought to bring those time-tested ingredients into a modern, accessible form. We sourced the finest raw materials from around the globe, with a focus on sustainable, ethical practices.

At the heart of our products is **100% unrefined shea butter sourced from West Africa**, known for its ability to hydrate, heal, and protect the skin. Every batch of shea butter we use is carefully sourced from trusted artisans, ensuring it remains untouched by harmful chemicals or artificial processing. This dedication to purity is what makes Aluye Naturals different. We're not just about skincare; we're about self-care—the kind that nourishes not only your skin but also your soul.

We envision a world where self-care is simple, effective, and connected to the earth. Our products are crafted with love, respect for the environment, and a commitment to empowering you to feel confident, beautiful, and naturally radiant every day. With Aluye Naturals, you're not just using skincare—you're embracing a lifestyle rooted in nature's best.

Welcome to Aluye Naturals—where nature's finest meets your skin's needs.

Signature Products

1: -Scented Moisturizing Whipped Body Butter-

Discover the ultimate in skin hydration and nourishment with our Moisturizing Whipped Body Butter, available in an exquisite range of essential oil extracts designed to soothe, revitalize, and replenish your skin. Our luxurious formula combines the power of 100% unrefined Shea Butter with an infusion of organic coconut oil, cold-pressed grapeseed oil, and olive oil, creating a rich blend of deeply moisturizing, antioxidant-rich oils that hydrate and protect.

Our shea butter, sourced from the Shea Nuts of the Karité tree in Ghana, is renowned for its exceptional moisturizing abilities and its rich nutrient profile, which includes high levels of fatty acids and vitamins A, E, and F. These nutrients work together to restore skin elasticity, reduce the appearance of blemishes, wrinkles, and stretch marks, and support the healing of dry, irritated skin. Shea butter's natural soothing properties also make it ideal for conditions like eczema, dermatitis, and even minor burns.

This whipped body butter is available in a variety of enticing scents, each infused with pure essential oils to create a sensory experience that nourishes your skin and delights your senses:

1. Mango/Papaya with Chlorophyll – A tropical, fruity blend infused with the calming benefits of chlorophyll, offering a refreshing and rejuvenating experience.
2. Pomegranate & Mango – A sweet, tangy fusion that blends the antioxidant power of pomegranate with the tropical richness of mango.
3. Lavender – Relaxing and soothing, the calming scent of lavender helps reduce stress while providing deep hydration.
4. Lemongrass – A bright and invigorating citrus scent that refreshes and energizes, perfect for a pick-me-up.
5. Grapefruit – Crisp and fresh, with a zesty citrus fragrance that leaves your skin smelling delicious and feeling vibrant.

Each jar of our Moisturizing Whipped Body Butter is expertly crafted to provide your skin with the nourishment it needs, leaving it soft, supple, and glowing. The whipped texture is light and airy, absorbing quickly without a greasy residue—just silky smooth, hydrated skin that lasts all day. Whether you're looking to pamper your skin or simply maintain a healthy glow, our body butter offers the perfect balance of nature's finest ingredients for truly radiant skin.

Indulge in the luxury of pure, natural skincare with our Moisturizing Whipped Body Butter—because your skin deserves the best.

2:-Raw Moisturizing Whipped Body Butter-

Indulge your skin in the ultimate luxury with our Raw Moisturizing Whipped Body Butter—a rich, velvety blend of nature's most nourishing ingredients. Crafted with 100% unrefined shea butter, this silky-smooth body butter melts effortlessly into your skin, providing deep hydration and long-lasting moisture without the greasy feel.

Packed with essential vitamins and fatty acids, our body butter works to restore softness, improve elasticity, and soothe dry, rough skin. Perfect for all skin types, it helps to heal and protect while leaving your skin feeling incredibly smooth, soft, and replenished. The natural scent is light and subtle, a testament to the purity of the ingredients.

Free from chemicals, additives, and artificial fragrances, our Whipped Body Butter is the perfect way to pamper your skin and embrace the healing power of raw, unrefined shea butter.

Experience the glow of truly nourished skin—naturally.

3:-Exfoliating Face & Body Scrub-

Revitalize your skin with our **Exfoliating Face & Body Scrub**, an invigorating blend of powerful, antioxidant-rich ingredients designed to deeply exfoliate, firm, and smooth your skin. This luxurious scrub combines the natural benefits of **coffee grounds**, **organic cane sugar**, and **activated bamboo charcoal** to gently remove dead skin cells, unclog pores, and promote a healthy, radiant complexion.

The energizing **coffee grounds** are packed with antioxidants that help stimulate circulation and reduce the appearance of cellulite, while **organic cane sugar** offers a natural, gentle exfoliation to leave your skin feeling soft and refreshed. Infused with the soothing properties of **coconut oil** and **olive oil**, this scrub nourishes as it exfoliates, providing deep hydration and leaving your skin feeling moisturized and smooth.

A unique blend of **nutmeg** and **cinnamon** adds a warming touch, while the **activated bamboo charcoal** detoxifies the skin, helping to draw out impurities and toxins for a clearer, brighter appearance. The result is firm, smooth, and glowing skin—whether you're using it on your face or body.

Gentle enough for all skin types, our **Exfoliating Face & Body Scrub** is the perfect way to invigorate your skin and boost your natural glow. Treat yourself to this spa-like experience and reveal a softer, smoother, and more youthful-looking you.

Experience the natural power of exfoliation and detoxification with our revitalizing scrub—your skin's new best friend!

4:-Deep Moisturizing RoseHip Face & Body Oil-

Revitalize your skin with our Deep Moisturizing RoseHip Face & Body Oil, a luxurious blend designed to treat acne, wrinkles, scars, dark spots, and uneven skin tone. Infused with powerful ingredients like Rosehip Extract, Grape Seed Oil, Vitamin E & C, and Jojoba Oil, this nourishing oil deeply hydrates while helping to brighten and renew your complexion. Its rich, fast-absorbing formula works to smooth and rejuvenate your skin, promoting a youthful, radiant glow. Suitable for all skin types, this oil is your go-to solution for achieving healthy, clear, and glowing skin from head to toe.

Our Deep Moisturizing Rosehip Face & Body Oil offers a range of skin-enhancing benefits. It helps treat acne by reducing inflammation and promoting healing, making it ideal for acne-prone skin. The formula works to smooth wrinkles and fine lines, firming and plumping the skin for a more youthful appearance. It also fades scars and dark spots, evening out skin tone and improving texture for a clearer, more radiant complexion. Rich in hydrating properties, this oil deeply nourishes and moisturizes, leaving your skin soft, supple, and smooth while revealing a luminous glow.

This nourishing oil features a powerful blend of ingredients to support healthy, glowing skin. Rosehip Extract is packed with antioxidants, vitamins, and essential fatty acids, promoting skin regeneration and helping reduce signs of aging. Grape Seed Oil is a lightweight, hydrating oil that protects the skin while combating the effects of aging. Vitamin E & C provide skin-healing benefits, brightening the complexion and shielding it from environmental stressors. Jojoba Oil balances the skin's natural oils, offering deep hydration and leaving the skin feeling smooth and nourished.

5:-Activated Charcoal Facial Cleanser-

Purify and refresh your skin with our **Activated Charcoal Facial Cleanser**, a powerful yet gentle formula designed to deeply cleanse, detoxify, and balance your complexion. This unique cleanser combines the natural goodness of **black soap**, **spring water**, **activated bamboo charcoal**, and **Himalayan pink salt** to provide a truly effective cleanse that draws out impurities and leaves your skin feeling fresh, clear, and revitalized.

Black soap, known for its soothing and healing properties, works to cleanse your skin without stripping it of its natural oils. It's a gentle yet effective cleanser, perfect for those with sensitive or acne-prone skin. Infused with **activated bamboo charcoal**, the cleanser draws out toxins and absorbs excess oil, unclogging pores and helping to prevent breakouts for a clearer complexion.

Himalayan pink salt adds an extra boost of minerals and detoxifying benefits, promoting healthy skin by balancing and replenishing essential nutrients. **Spring water** provides a naturally pure, refreshing base that soothes and hydrates the skin, leaving it soft and nourished after each wash.

With regular use, our **Activated Charcoal Facial Cleanser** helps improve the appearance of blemishes, reduces oiliness, and promotes a healthy, glowing complexion. Free from harsh chemicals, this gentle yet effective cleanser is perfect for all skin types and a must-have in your daily skincare routine.

Experience the power of natural detoxification and deep cleansing with our Activated Charcoal Facial Cleanser—your skin's fresh start.

6:-Organic African Black Soap-

Unlock the power of nature with our Organic African Black Soap, an age-old beauty secret made from a blend of the finest plant-based ingredients sourced from the heart of Africa. This handcrafted soap is carefully formulated with a unique combination of charcoal, shea butter, coconut oil, plantain skins, cocoa pods, palm tree leaves, shea tree bark, and palm oil—all known for their skin-healing, soothing, and detoxifying properties.

The charcoal acts as a natural purifier, drawing out impurities, toxins, and excess oil from the skin, while shea butter deeply nourishes and hydrates, leaving your skin soft, smooth, and moisturized. Coconut oil helps to cleanse and condition the skin, while plantain skins and cocoa pods provide gentle exfoliation, helping to remove dead skin cells and promote a clearer, more even complexion.

Palm tree leaves and shea tree bark contribute to the soap's rich, nourishing texture, while palm oil helps to maintain moisture, preventing dryness and ensuring your skin stays hydrated after every wash. This blend of natural ingredients works together to deeply cleanse, balance, and revitalize your skin, addressing a range of skin concerns, from acne and blemishes to dry patches and irritation.

Free from synthetic additives and chemicals, our Organic African Black Soap is ideal for all skin types, including sensitive skin. It's perfect for use on both your face and body, helping to restore natural balance and radiance to your complexion.

Discover the natural healing power of Africa's finest ingredients with our Organic African Black Soap—your skin's ultimate cleansing ritual.

7:-Organic Coconut Oil-

Experience the pure, unrefined goodness of nature with our **Organic Cold Coconut Oil**, a versatile and nourishing oil that delivers multiple benefits for both your skin and hair. Sourced from the finest organic coconuts, our coconut oil is cold-pressed to retain all of its natural nutrients, ensuring you receive the highest quality oil with every drop.

Rich in **medium-chain fatty acids (MCFAs)**, including **lauric acid**, our coconut oil is deeply moisturizing and has powerful antibacterial, antifungal, and antioxidant properties. It helps to hydrate and soften the skin, while promoting healthy, shiny hair. Whether used as a moisturizer, makeup remover, hair treatment, or massage oil, our **Organic Coconut Oil** is a must-have in your skincare and beauty routine.

This oil is perfect for all skin types, from dry to sensitive, providing gentle nourishment without clogging pores. It absorbs quickly and leaves skin feeling soft and smooth, without any greasy residue. As a hair treatment, it helps to restore shine, reduce frizz, and strengthen the hair, promoting overall hair health.

With its mild, natural scent and high-quality organic ingredients, our **Organic Coconut Oil** is as pure as it gets—free from chemicals, additives, or preservatives. It's the perfect multi-use oil to add to your daily routine for healthy, radiant skin and hair.

Mens Beard Care

8:-Gentlemen's Beard Oil with Shea Butter-

Achieve a soft, well-groomed beard with our Gentlemen's Beard Oil with Shea Butter, the perfect blend of nourishing oils designed to moisturize, condition, and strengthen your beard and the hair follicles beneath. Crafted with 100% unrefined shea butter, grapeseed oil, castor oil, and pumpkin seed oil, this premium beard oil provides deep hydration and promotes healthy beard growth, leaving your facial hair feeling soft, smooth, and full of life.

Our special blend also features the soothing and calming properties of frankincense, cedarwood, and eucalyptus mint oil, which work together to invigorate and refresh your senses while supporting healthy hair growth. Grapeseed oil helps to strengthen the hair shaft, while castor oil nourishes the follicles, reducing dryness and promoting fuller, thicker growth. Pumpkin seed oil is rich in essential fatty acids and antioxidants, helping to repair and protect both your skin and beard from environmental stressors.

The natural combination of **cedarwood** and **frankincense** adds a warm, grounding scent, while eucalyptus mint oil gives a cool, refreshing tingle, making this beard oil not only effective but a pleasure to use.

Whether you're dealing with a short stubble or a long, thick beard, our Gentlemen's Beard Oil with Shea Butter helps reduce itchiness, flakiness, and beard dandruff, while promoting a smooth, well-conditioned beard. This oil is also perfect for moisturizing the skin underneath, preventing irritation, and leaving your face feeling soft and refreshed.

Give your beard the care it deserves with our Gentlemen's Beard Oil with Shea Butter—hydration, nourishment, and strength in one sleek bottle.

9:-Gentlemen's Shea Butter Beard Balm-

Take control of your beard with our **Gentlemen's Shea Butter Beard Balm**, a premium styling and conditioning formula designed to tame, shine, and add volume to your facial hair. Made with a blend of **organic shea butter**, **beeswax**, **coconut oil**, **jojoba oil**, and a refreshing touch of **cedarwood** and **lemongrass essential oils**, this balm provides the perfect balance of hold, hydration, and nourishment for your beard.

Organic shea butter deeply moisturizes and softens the hair, making it more manageable while helping to reduce dryness and beard dandruff. The addition of **beeswax** gives the balm its natural hold, helping to tame stray hairs and keep your

beard looking neat and well-groomed throughout the day. **Coconut oil** nourishes and strengthens hair follicles, promoting healthier growth, while **jojoba oil** helps balance skin oils, preventing irritation and dryness beneath your beard.

Infused with the rich, grounding scent of **cedarwood** and the fresh, zesty notes of **lemongrass essential oils**, this balm leaves your beard smelling amazing while providing all-day protection and control. Whether you have a short beard or a full, thick mane, this balm adds volume, definition, and a natural, healthy shine without weighing down your hair.

Perfect for daily use, our **Gentlemen's Shea Butter Beard Balm** is the ultimate product for maintaining a soft, well-shaped beard with just the right amount of hold, shine, and fullness.

Tame, shine, and add volume to your beard with the nourishing power of Shea Butter Beard Balm—because your beard deserves the best.

10-Gentlemen's Beard Wash with African Black Soap-

Give your beard the clean, refreshed feeling it deserves with our **Gentlemen's Beard Wash with African Black Soap**, a specially formulated cleanser that gently removes dirt, oil, and buildup while hydrating and nourishing your beard and skin. Crafted with **authentic African black soap**, **avocado oil**, **tea tree oil**, and **eucalyptus mint**, this powerful beard wash delivers a thorough cleanse while promoting healthier, softer facial hair.

African black soap is known for its deep cleansing and soothing properties, helping to eliminate impurities and excess oil without stripping your beard or skin of their natural moisture. **Avocado oil** provides rich hydration and nourishment, ensuring your beard stays soft, manageable, and healthy-looking. Packed with vitamins and fatty acids, it also helps to strengthen hair follicles, supporting healthy beard growth.

The inclusion of **tea tree oil** works to purify the skin, providing a refreshing and antimicrobial effect that helps reduce irritation, itchiness, and beard dandruff.

Eucalyptus mint adds a cooling, invigorating sensation, leaving your face feeling fresh and revitalized after every wash.

Whether you have a short beard or a full-grown mane, our **Gentlemen's Beard Wash with African Black Soap** is gentle enough for daily use and tough enough to keep your beard looking its best. It cleanses, hydrates, and nourishes, promoting a smooth, healthy, and well-conditioned beard with every use.

Refresh, hydrate, and cleanse your beard with the natural power of African black soap—your beard's new best friend.
